PORTIONS DENIED AS [illegible]

Dear Mr. Tumminia,

I'm sure you already know something about the great good being accomplished by the Peoples Temple in Guyana. 18 agriculture experts from all over the world just visited, and were amazed at the phenomenal progresses being made. It is difficult to understand how anyone could oppose a work doing much to find ways to feed the hungry people of this world.

Thanks you for your concern.

Sincerely yours,
